### Day 6 Santorini (B)

Breakfast at the hotel. The bus picks up clients from designated pick-up points and drives them to Athinios port to embark on the traditional boat. The first stop is at the island of Nea Kameni, also known as the volcano. There, guests can climb into the volcano's crater, passing through many sulfur vents. After an hour and a half, the boat leaves the volcano and heads to the small islet of Palaia Kameni or Termas, as it is called by the locals, formed by several volcanic eruptions, with many hot springs along its coast. There, guests have 30 minutes to swim in the warm yellow-green, sulphureous waters, which are believed to have healing powers. The next stop is Thirassia, the second largest island after Santorini in the Caldera. The island, situated opposite Santorini, is a contrast, quiet and undeveloped, untouched by tourism. Here, guests will have 2 hours to have lunch in one of the many small taverns, or swim in the crystal-clear waters. Alternatively, they can hike or take a donkey ride to the top of the island and explore the capital, the town of Manolas. Later, the ship leaves Thirassia and, sailing along the Santorini coast, returns to the port of Athinios, where buses will be waiting to take clients to their hotels.

\*\*\* The tour does not include Entrance fees to the volcano (€6.00 p/p) & lunch in Thirassia \*\*\*
